

## ***Sales appointment at Air-Tec system***

Air-Tec system, Calderara di Reno, Bologna, Italy, a leading international specialist in the field of dense phase pneumatic conveying, has named Mirco Poluzzi as area sales manager at its Spanish office in Madrid. For the past six years he has been production manager at the company's head office. In his new job his main focus will be on attending to the requirements of existing customers and agents while at the same time developing new sales opportunities. The principal contact at the company's technical department continues to be Delfino Di Nicolantonio who has held this post for the past four years. [www.air-tec.it](http://www.air-tec.it)
