

Measurement and testing of pharmaceutical powders

The University of Greenwich's School of Science and Wolfson Centre for Bulk Solids Handling Technology are jointly hosting a one-day seminar on property measurement and testing of powders for pharmaceutical/neutraceutical production.

The event takes place on 29 September at the Kings Hill Conference Centre, West Malling, and will be broken down into a series of informative sessions that focus on the practicalities of achieving and maintaining production of consistently high-quality powder materials.

The Registration fee is just £30 which includes presentation pack, buffet lunch and other refreshments. Further details from Caroline Chapman (Tel: +44 20 8331 8646; or email: c.j.chapman@greenwich.ac.uk). www.pharmaconference.co.uk
