

### ***News sales director for Haver & Boecker machinery division***

With effect from 1 July Dipl Ing. Bernhard Pagenkemper, 46, has been named sales director for Haver & Boecker's entire machinery division, Oelde, Germany. He was previously in charge of the company's cement business unit. The multilingual mechanical engineer is known globally by customers and has made a name for himself through numerous lectures and technical articles in his sphere of expertise. He is replaced as head of the cement business unit by his previous deputy Wolfgang Bednarz. [www.haverboecker.com](http://www.haverboecker.com)
