

Key appointment at Key Technology

Key Technology headquartered in Walla Walla, WA, has named Richard van Densen as product marketing manager at its European head office in Beusichem, the Netherlands. He assumes responsibility for marketing all of the company's equipment lines, which include automated inspection, specialised conveying and product preparation systems. His main

focus will be on the development of emerging opportunities in the EMEIA region (Europe, the Middle East, India and Africa). With 12 years international business development experience, he holds a bachelor of science degree in applied physics from Technische Hogeschool Rijswijk and an MBA from TiasNimbas Business School. www.key.net
